I, Margaret Dazeley, have been the foreign exchange student here at CHS for the school year 1974-75. I am from Tansmania, Australia, and have made my home in America with Lloyd and Marieta Lamers. I have had a great year at CHS, and I will take many fond memories home with me.

Look pretty girls, here comes the coach

The 1974- 1975 School was the sucessful introductory year for girls varsity basketball. Under the very able leadership of Coach Fred Stephens, the gals of C.H.S. enjoyed a very eventful and rewarding year. Many of the stars of today are from the underclasses and therefore we can look foreward to even greater achievement next year. May we say thanks and congratulate the following Seniors for a job well done. Jan Miller, Mary Tate, Gail Mabery, Dawn Detweiler, Vicki Melte and Jo Smith.

## *Electronics*

Electronics is taught in a two year sequence with each year involving 3 units of credit: Mr. Bob Chenoweth brings a diversified background as the instructor.

Vocational Drafting; a pre-architectural study given in two years 3 hours credit each year.

Auto Mechanics: This subject is taught at the high school as well as the post high level. The auto mechanics was the first Vocational Technical class held in Chillicothe.

Health Services: A background of practical as well as classroom experience is the foundation of this class, all graduates of this class are in great demand for employment.

C.O.E. The cooperation of the many fine businesses in Chillicothe make this class one of the finest in the state of Missouri.

Secretarial Practice: Everything from record keeping to taking of dictation is handled in this technical program. Most of the graduates of this program go right to the job after graduation.

Body Fender Repair: This is the only second year for this popular program. There are many more request for the program than there are room for students.

Welding: Practical and Industrial welding are both taught in a fast growing welding curriculum.
